Service	What it covers	Price
Deep cleaning	Dust-out and cleaning of your desktop	$49
Windows reinstall	Clean reinstall using your own Windows license	$69
Data transfer	By request only, when necessary	Quoted

$49 Inspection

Every upgrade starts with a $49 inspection and compatibility check. If you approve the work, the full $49 is credited toward it.

Every Upgrade Includes

- Compatibility check before any parts are ordered
- Professional installation and cable management
- Stress test after the install
- Cleanup of the work area inside your PC
- A written work order with your estimated completion time

Good to Know

Parts. Bring your own parts, or I can order them for you. Parts I order are paid in full up front, along with the inspection. Labor is due at pickup.

Warranty. My labor is warranted for 30 days. New parts carry the manufacturer's warranty. Parts already in your PC are not covered.

Your data. Please back up your data before drop-off.

Old parts. Removed parts are returned to you. I don't offer trade-in credit.

Pickup. A storage fee may apply to PCs left unclaimed for more than 30 days after they are ready.

Sales tax. Minnesota sales tax applies to install labor and parts, including installs of parts you supply. Cleaning, Windows reinstall and data transfer are listed separately.

Payment. Card, ACH bank transfer or cash.
